

# Instinctive SOLUTIONS Inc

The Chosen Solution

## WHO WE ARE

Instinctive Solutions, Inc. (ISI) is a global management consulting firm specializing in Information Technology, Management Consulting, Training & Education, Healthcare and Multi-Media Services. ISI has proven experience in providing our customers with high impact solutions in industries such as: education, healthcare, insurance, media and communications. Our team leads complex initiatives that are coupled with decades of management experience, reliability, and integrity to solve our clients' biggest challenges.

ISI delivers significant value to clients through end-to-end solutions. The depth of our expertise, coupled with our strategy, design and tactical approach in solving complex industry challenges, has helped put our clients ahead of their competition. With 20+ years of experience in the industry, our portfolio of esteemed clients include: the United States Coast Guard, the Transportation Security Administration, Oracle, the Department of Homeland Security, the City of Atlanta and a diverse portfolio of other commercial and government contracts that have been executed from concept to completion.
